Mike Murphy

Republican for HD 65

Dear Friends,

A good conservative Republican, Mike Murphy, needs your financial help to defeat Burt Solomons for Texas House District 65. Mike is working hard going door-to-door, but you can see he is in need of more donations to really get his conservative message out. Time is growing short.

Mike has been endorsed by the Young Conservatives of Texas, the Denton County Republican Assembly, Texans for Fiscal Responsibility, Empower Texans PAC so far. If you know other concerned conservatives who might help elect Mike to House District 65, please pass this on and ask them to contribute as much as they can ASAP.

Grassroots conservative Republicans who are willing to enter the arena without a lot of money for the fight deserve our support. I wish I were not spread so thin so I could give him more. Checks should be made out and mailed to:

Mike Murphy
P.O. Box 5586
Frisco, TX 75034-5586

Anything you can do to help Mike (and Texas) will be greatly appreciated.

Regards,
